

Kalmia latifolia

# Show Time

Richard Jaynes

'Show Time' is aptly named! Big red buds give way to large, 1.5" diameter, rich, pink flowers.

Glossy, clean, green leaves complete the plant.

Best flowering in the full sun, dappled shade in the warmest areas. Good drainage is a must.

Prefers moist, humitic, well-drained soil.

Pollinator friendly.

*Common Name*

**'Show Time' Mountain Laurel**

*Variety*

**Show Time**
