

Vaccinium

Mini Blues

Chad Finn

Royalty Fee

High yields and excellent gourmet flavor, make this hardy, small fruited blueberry, ideally suited for commercial processing and culinary applications alike. The petite (0.8 gram), firm berries of 'Mini Blues' are produced in abundance and are machine harvestable. They are ideal for inclusion in muffins, pancakes, or any foods where you want the berry intact, and phenomenal flavor!

This is an ideal berry for the home gardener and production farm alike.

Full sun with regular water for best production.

Very wildlife friendly.

Very pollinator friendly.
