

Yucca rigida

Blue Sentry

'Blue Sentry' has striking blue needled new growth, fading to powder blue, with a narrow yellow margin. Slow upright habit, to 10+' with age. more often 4 to 5'. With some maturity, a beautiful 5' -6' stalk of creamy white bell flowers appear above the needles. Does best in full sun, alkaline, well drained soils, but is tolerant of most conditions. Drought resistant once established, a bit of supplemental Summer water will ensure a better show. Pollinator friendly and wildlife resistant.

Common Name

'Blue Sentry' Adam's Needle

Variety

Blue Sentry

Zone

Zone 5

Mature Size

10'H x 5'W

Bloom Time

August

Plant Type

Perennials

Flower Color

Greeny Cream
