

Buxus sinica var. insularis x sempervirens

Green Velvet

'Green Velvet' boxwood is well-suited for dense, low hedges & borders, and does well in mixed containers, en mass, & topiary. The foliage retains a rich green color throughout Winter. Relatively vigorous, but still retains a rounded form if not sheared.

Sun to partial shade with regular water will keep this shrub happy.

Wildlife resistant once established.

Common Name

'Green Velvet' Boxwood

Variety

Green Velvet

Zone

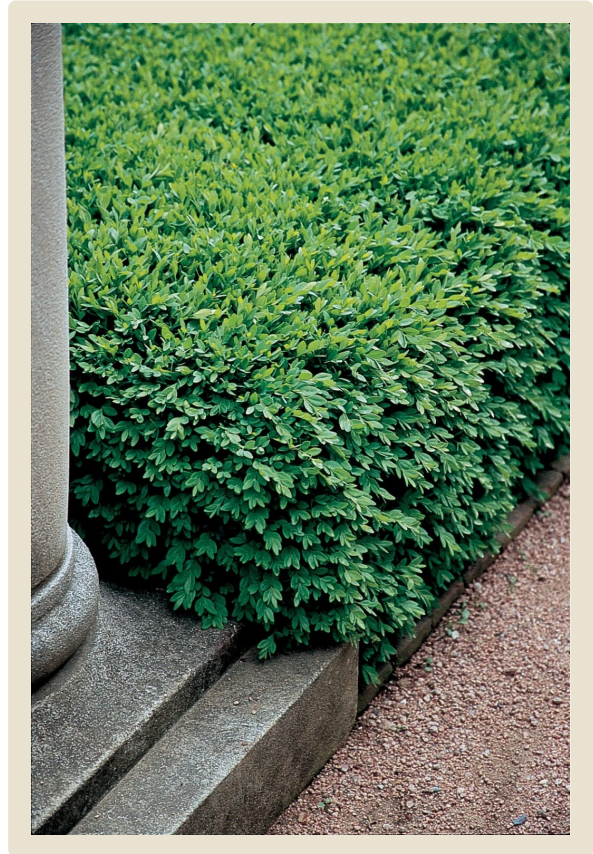

Zone 4

Mature Size

4'H x 4'W

Plant Type

Evergreen Shrub
