

**GO FOR THE GOLD with
this NEW HEAVENLY BAMBOO
from SIDHU & SONS!**

This remarkable sport of 'Gulfstream' provides a splash of color to the landscape in both spring, when it flushes with radiant hues of yellow and gold, and in the winter months, when the foliage turns a rich amber gold. Goldstream is distinguished by narrow, dissected leaves, a compact habit and dense, ornamental foliage, making it perfect as a specimen or accent plant, or in small space gardens and containers.

- 3.5'H x 3'W
- USDA Zone 6
- Full sun/partial shade
- Deer resistant
- Drought resistant once established

More Stellar Nandina Cultivars to Choose From!

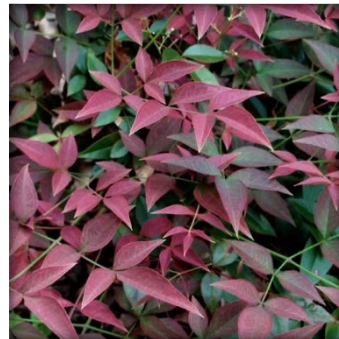

***Nandina domestica*
'Nansid6' Bonfire**
USPP#29,798
CPBR#5578

Slender, distinctively swirly leaves with vibrant, orange-red new growth

***Nandina domestica*
'Gulfstream'**

Scarlet new growth in spring matures to blue-green in summer, then turns intensely red in fall

***Nandina domestica*
'Harbour Dwarf'**

Dark bluish-green compound leaves appear very airy and lacy, and turn burgundy in the fall and winter.

***Nandina domestica*
'Fire Power'**

New growth is lime green, ages to green tinged with yellow or red in summer, with outer leaves turning brilliant red in the fall
