THE NEW STANDARDS FOR SUCCESS!

Introducing The Holden Arboretum's Phytophthora Resistant Line of Hardy Rhododendrons Available Exclusively at Briggs Nursery!

Rigorously tested and selected for their resistance to *Phytophthora cinnamomi*, these striking new Rhododendrons are both highly ornamental and cold hardy to USDA zone 5. All five cultivars maintain a similar compact habit, reaching a mature size of just 3-4'H x 3-4'W at 6 to 8 years. As an added bonus, all plants set buds at a young age. Call for details, sizes and pricing!

- **Holden's™ Peach**

- 'HoldenRhodo213' USPP#34,540 - Mauve pink flower buds that open to ivory-peach flowers with a hint of yellow at the throat.

- **Holden's™ Pink**

- 'HoldenRhodo211' USPP#34,628 - Pink flowers with a hint of yellow in the throat cover this wonderful plant.

- **Holden's™ Red**

- 'HoldenRhodo221' USPP#35,416 - Tight trusses of rose red flowers cover this extremely vigorous performer.

- **Holden's™ Fuchsia**

- 'HoldenRhodo212' USPP#34,541 - Truly eye-catching fuchsia flowers arranged in tight trusses cover the plant.

- **Holden's™ Pink Flare**

- 'HoldenRhodo201' USPP#33,594 - Tight trusses of pink buds open to ruffled, soft pink flowers with cinnamon splash. Closest to white currently available.
